

You Are the Best Thing

Ray Boudreaux

Baby

It's been a long day, baby

Things ain't been going my way

And now i need you here

To clear my mind all the time And baby

The way you move me, it's crazy

It's like you see right through me

And make it easier

Believe me, you don't even have to try [chorus]

Oh, because

You are the best thing

(you're the best thing)

You are the best thing

(you're the best thing, baby)

You are the best thing

(you're the best thing, oooh)

Ever happened to me Baby

We've come a long way

And baby

You know i hope and i pray

That you believe me

When i say this love will never fade away [chorus]

Oh, because

You are the best thing

(you're the best thing)

You are the best thing

(you're the best thing, baby)

You are the best thing

(you're the best thing, oooh)

Ever happened to me Both of us had no love before
(to come on promising like a spring to walk on out the door)?

Our words are strong and our hearts are kind

Let me tell you just exactly what's on my mind [chorus x2]

You are the best thing

(you're the best thing)

You are the best thing

(you're the best thing, baby)

You are the best thing

(you're the best thing, oooh)

Ever happened to me
