

# Walk Away

LANY

You and I would be just fine  
If I was the one  
To stay the day and waste away  
But I tend to run I'm too good at leaving love  
I'm too good at leaving love  
I don't wanna be I'm too good at leaving love  
I'm too good at leaving love  
I don't wanna be It ain't fair, I don't care  
Don't know what to say  
Say the song, life goes on  
I wish I could change I'm too good at leaving love  
I'm too good at leaving love  
I don't wanna be I'm too good at leaving love  
I'm too good at leaving love  
I don't wanna be Walk away, walk away  
Walk away, walk away  
Walk away, walk away  
Walk away, walk away  
Walk away, walk away  
Walk away, walk away I'm too good at leaving love  
I'm too good at leaving love  
I don't wanna be (walk away, walk away) I'm too good at leaving love  
I'm too good at leaving love  
I don't wanna be (walk away, walk away) I'm too good at leaving love  
I'm too good at leaving love  
I don't wanna be (walk away, walk away) I'm too good at leaving love  
I'm too good at leaving love  
I don't wanna be
