

# I Don't Have Anything

## Vast

I stood on mountaintops  
That overlooked the world  
I can't find anything  
Except a void inside I went to places where  
I could forget your name  
I can't find anything  
Except a void inside I don't have anything  
Because I don't have you  
I don't have anything What can I buy  
To make the sky turn blue again?  
Where can I go  
To feel like I'm alive again? Show me the places  
Where I can forget your name  
I can't find anything  
Except a void inside I don't have anything  
Because I don't have you  
I don't have anything I've been stripped of everything  
Except some flesh that bleeds  
And I've been robbed of everything  
Except a soul, except a soul that needs you, sweet you I don't have anything  
Because I don't have you  
I don't have anything
