Help Is On The Way

Bebe Winans

I said help is on the way
So don't give up
Keep on believin'
Just when it seems all over
Help is on the way
To all the mothers
Fighting danger, all night
That plagued your children
Know that help is on the way
To every father
Born to conquer
Who's down and wounded
Know that help is on the way
So don't give up
Keep on believin'
Just gotta keep believin'
Just when it seems all over
Say, help is on the way
Tell all the teachers
And all the preachers, all night
To all God's creatures
Know that help is on the way
And I know you're tired
Of trying to piece through all
No, no it's not easy
But help is, yes it's on the way
And God knows you're hurting, yes you are
For something and someone
Please don't give up on waitin'
'Cos help is, yes it's on the way
Don't give up
Don't, don't give up
And keep on believin'
Just gotta keep believin'
'Cos just when it seems all over
Say, help is on the way
Say, yes say
I gotta keep on, don't stop no
Hey, just say, help is on the way

So to all the lovers
And all the haters
To all who have faith
Know that help is on the way
So don't give up, no no
And keep on believin'
Just gotta keep believin'
But just when it seems all over
Say, help is on the way
So don't give up
You gotta keep going, gotta keep going
Keep on believin', just gotta keep believin'
Just when it seems all over
Say, help is on the way
Don't give up
I know that you're down
Keep on, keep on believin'
Just gotta keep believin'
Just when it seems all over
Say, help is on the way
Yes it is now
Don't give up
Ain't no matter, I keep on believin'
Just gotta keep believin'
Know that it seems all over
When help is on the way
Don't give up
