

My Valentine

Carl Thomas

Yeah, yeah, yeah
Oh, yeah Sometimes at night, I cannot sleep
I think of you with revering
But like an ancient melody
You're beautiful but melancholy
Girl, if I could, don't you know I would
Take the pain away from My valentine, tell me why
Why you never smile?
What can I do to get through to you?
My funny valentine
I'd do anything just to see you smile I know obsession is a sin
But I feel you underneath my skin
Are you the prize that I'll never win
Because you haunt me like a thousand violins But I won't give up, no, no, no
Until I earn your trust
'Cuz you're a part of me
And it's my destiny to fly away with My valentine, tell me why
Why you never smile?
What can I do to get through to you
Tell me you're My valentine, tell me why
Why you never smile?
What can I do to get through to you
My funny valentine
I'd do anything just to see you Smile, smile, smile
To see you smile, smile, smile
Why won't you smile, smile, smile
I'll make you smile, smile, smile, ooh
