Someone I Used to Know (Non-Album Version)

Lee Ann Womack

There's a picture that I carry
One we made some time ago
When they ask who's in the picture with me
I say just someone I used to knowJust someone I used to spend some time with
Just a flame that's lost its glow
And I don't tell them how lost I am without you
I say just someone I used to knowJust someone I used to run around with
Just a friend from long ago
And I don't tell them of the nights I cried without you
I say just someone I used to knowI say just someone I used to know
