It`s Alright Now

Eddie Harris

IT?S ALRIGHT NOWWords and Music by Margo GuryanIt's alright now
We talked the whole thing over
We understand each other
And we won't be seen together anymoreIt's alright now
Be careful not to touch me
Don't tell me what you're thinkin'
And don't ask me what I feelEv'rything will be okay tomorrow
When love is gone
No one seems to love forever
Why should ours go on
And on
And onIt's alright now
It's time that we were leaving
I've other things to think of
And you shouldn't see me cryin' anyhow
And anyhow it's alright nowÂ© 1971 (renewed) Dartmoor Music
