Wake Up Everybody

John Legend & The Roots

Wake up everybody no more sleepin' in bed
No more backward thinkin' time for thinkin' ahead
The world has changed so very much
From what it used to be
There is so much hatred war and poverty
Oh yeahWake up all the teachers time to teach a new way
Maybe then they'll listen to whatcha have to say
Cause they're the ones who's coming up
And the world is in their hands
When you teach the children
Teach 'em the very best you can
Oh yeah[Chorus]
The world won't get no better
If we just let it be
The world won't get no better
We gotta change it yeah,
Just you and me.Wake up all the doctors make the ol' people well
They're the ones who suffer an' who catch all the hell
But they don't have so very long before the Judgment Day
So won'tcha make them happy before they pass away.Wake up all the builders time to build a new land
I know we can do it if we all lend a hand
The only thing we have to do is put it in our minds
Surely things will work out cause they do every time.The world won't get no better
If we just let it be
The world won't get no better
We gotta change it yeah,
Just you and me.Yeah, yeahIt's the God hour
The morning I wake up
Just for the breath of life I thank my maker
My mom say I come from hustlers and shakers
My mom buidin' on skyscrapers and acres
He said take us back to where we belong
I try to write a song
As sweet as the Psalms
Though I'm the type to bare arms
And wear my heart on my sleeve
Even when I fell in God I believe
Read the days that weave through the maze
The seasons so amazing

Feed them and raised them
Seasons are aging
Earthquakes, wars, and rumors
I want us to get by but
We're more than consumers
We more than shooters, more than looters
Created in this image so God live through us
And even in this generation, living through computers
Only love love love can reboot usWake up everybody no more sleepin' in bed
Wake up, everybody
Need a little help,
Can't do it alone
Need a little help y'all
C'mon c'mon c'mon c'mon
Need a little help, y'all
Can't do it alone
Need a little help, y'all
Can't do it alone
Oh, wake up everybody
Wake up everybody
Wake up everybody
