Freshmen

The Verve Pipe

when i was young i knew everything
and she a punk who rarely ever took advice
now i'm guilt stricken,
sobbing with my head on the floor
stop a baby's breath and a shoe full of rice

i can't be held responsible
cause she was touching her face
I won't be held responsible
she fell in love in the first place

for the life of me i cannot remember
what made us think that we were wise and
we'd never compromise
for the life of me i cannot believe
we'd ever die for these sins
we were merely freshmen

my best friend took a week's
vacation to forget her
his girl took a week's worth
valium and slept
now he's guilt stricken sobbing with his
head on the floor
thinks about her now and how he never really
wept he says

i can't be held responsible
cause she was touching her face
I won't be held responsible
she fell in love in the first place

for the life of me i cannot remember
what made us think that we were wise and
we'd never compromise
for the life of me i cannot believe
we'd ever die for these sins
we were merely freshmen

we've tried to wash our hands of all of this

we never talk of our lacking relationships
and how we're guilt stricken sobbing with our
heads on the floor
we fell through the ice when we tried not to
slip, we'd say

i can't be held responsible
cause she was touching her face
I won't be held responsible
she fell in love in the first place

for the life of me i cannot remember
what made us think that we were wise and
we'd never compromise
for the life of me i cannot believe
we'd ever die for these sins
we were merely freshmen
we were merely freshmen
we were only freshmen
