

# Freshmen

## The Verve Pipe

when i was young i knew everything  
and she a punk who rarely ever took advice  
now i'm guilt stricken,  
sobbing with my head on the floor  
stop a baby's breath and a shoe full of rice

i can't be held responsible  
cause she was touching her face  
I won't be held responsible  
she fell in love in the first place

for the life of me i cannot remember  
what made us think that we were wise and  
we'd never compromise  
for the life of me i cannot believe  
we'd ever die for these sins  
we were merely freshmen

my best friend took a week's  
vacation to forget her  
his girl took a week's worth  
valium and slept  
now he's guilt stricken sobbing with his  
head on the floor  
thinks about her now and how he never really  
wept he says

i can't be held responsible  
cause she was touching her face  
I won't be held responsible  
she fell in love in the first place

for the life of me i cannot remember  
what made us think that we were wise and  
we'd never compromise  
for the life of me i cannot believe  
we'd ever die for these sins  
we were merely freshmen

we've tried to wash our hands of all of this

we never talk of our lacking relationships  
and how we're guilt stricken sobbing with our  
heads on the floor  
we fell through the ice when we tried not to  
slip, we'd say

i can't be held responsible  
cause she was touching her face  
I won't be held responsible  
she fell in love in the first place

for the life of me i cannot remember  
what made us think that we were wise and  
we'd never compromise  
for the life of me i cannot believe  
we'd ever die for these sins  
we were merely freshmen  
we were merely freshmen  
we were only freshmen
