What I'd Say

Earl Thomas Conley

Talkin' to the mirror and whisperin' Your name
Just like You were here, You'd think I was insane
I hold these conversations in the silence of my room
Rehearsing all the things I'd say, should I run into YouHow's it going? Might be what I'd say
You broke my heart You know, or it looks like rain today
Or maybe, God I missed You, since You went away
You're lookin' well or go to Hell, might be what I'd sayThere's times I feel so angry, I'd put my fist right through the wall
And then there's times I've come so close to giving You a call
I love You and I hate You, all at the same time
I pray that You'll come back to me before I lose my mindHow's it going? It might be what I'd say
You broke my heart You know or it looks like rain today
Or maybe, God I missed You, since You went away
You're lookin' well or go to Hell, might be what I'd sayGuess You'll have to wait until that day
To find out what I'd sayGod I missed You, since You went away
You're looking well, or go to Hell
Might be what I'd say
