To You I Bestow

Mundy

Wait a minute now, I'll see you when I come back
I could be sharing someone else's pillow
And my love for you is better than diamonds
To you, everything I bestowAnd tomorrow, I'll be dancin' on my own
And I'll need a kiss for my head that's achin'
And I'll be a hungry dog without a bone
Hoping my place with you's not takenKiss me and tell me it's not broken
Kiss me and kiss me 'til I'm dead
See, I give you the stars from the bruised evening sky
And a crown of jewels for your head now
For your head now
For your head now
For your headOne last night in bed for a time
And two more wishes and both are for thine
And three guesses, you're the angel's child
Four hopes that this love's not spoiledKiss me and tell me it's not broken
Kiss me and kiss me 'til I'm dead
See, I give you the stars from the bruised evening sky
And a crown of jewels for your head now
For your head now
For your head now
For your head nowAnd if you come back, I'll take you to the garden
We'll dance to an orchestra on the lawn
And we roll in the foggy dew
And dance with the ghosts upon
the dawn and on the dawn and on the dawnThen you'll kiss me and tell me it's not broken
Kiss me and kiss me 'til I'm dead
See, I give you the stars from the bruised evening sky
And a crown of jewels for your head now
For your head now
And for your head now
For your head now
For your head now
For your headOooooh
