

Serious

[MU330](#)

This time its serious its serious 'cause I know
That I can trust you know I won't make a mess
This time it's so serious I'm serious
So serious I know I got to be serious
She's so serious I know that she's so serious
Next time it's serious its gotta be serious
'cause I don't think I can hold up I'm tired
Of making a mess, Next time it's so so serious
Whoa Oh Whoa Oh-e-oh Whoa-oh oh-e-oh
Well I know this times its serious
