

Moving Target

Massari

She's like a moving target
Every time I wanna come and get close
She fades awayShe's like a moving target
If I don't hurry up and lock that
She will get awayEvery time I step up and dance
She always looks away
But I know she's watching meShe thinks that I don't know
What's going down
It's all up in her eyesSo I know that she's feeling me
Can't stop thinking about it
It's about time I let her know
Ain't no secret about itYou want me girl, it shows
Girl you know, it feels like a dream
'Cause you fading out my life
And you knowIt hurts when you leave
But I know that it ain't goodbye
She keeps moving and keeps moving
'Cause she's my moving targetShe's like a moving target
Every time I wanna come and get close
She fades awayShe's like a moving target
If I don't hurry up and lock that
She will get awayShe's like a mystery to me
This girl has got me thinking
And I don't even know her name
And every time she come around
She don't know but money ain't a thingI can make it rain
Can't stop thinking about it
It's about time I let her know
Ain't no secret about itYou want me girl, it shows
Girl, you know
It feels like a dream
'Cause you fading out my life
And you knowIt hurts when you leave
But I know that it ain't goodbye
She keeps moving and keeps moving
'Cause she's my moving targetShe's like a moving target
Every time I wanna come and get close
She fades awayShe's like a moving target
If I don't hurry up and lock that

She will get away
