Bukka's Jitterbug Swing

Bukka White

Hey, come on you women, let's do the
Jitterbug
Swing
When you do the Jitterbug swing, you know you will be doing a thing
Hey, I can't stand it long, I'm telling you women, I can't stand it long
Hey, every time I ask you, you won't let me follow you home
You must have some
Rounder
, Lying' in your arms
Hey, you women workin' on my nerves
Hey, you women workin' on my nerves
Hey, you gonna drive me in my blood
Hey, please, mama, don't say, "Uh uh"
