

Bukka's Jitterbug Swing

Bukka White

Hey, come on you women, let's do the

Jitterbug

Swing

When you do the Jitterbug swing, you know you will be doing a thing

Hey, I can't stand it long, I'm telling you women, I can't stand it long

Hey, every time I ask you, you won't let me follow you home

You must have some

Rounder

, Lying' in your arms

Hey, you women workin' on my nerves

Hey, you women workin' on my nerves

Hey, you gonna drive me in my blood

Hey, please, mama, don't say, "Uh uh"
