

# Easy Mark (early demo w/ original lyrics)

## Nerf Herder

Yeah she ... she's bustin' out  
Put the suitcase in the Pinto and get the hell out of Ohio[Repeat: x 2]  
She gets on that great highway  
Doesn't want to be anywhere  
She's an easy mark Yeah he : he's got a master plan  
Yeah he's gonna make a fortune  
Panning gold out of a bottle of Goldschlager shot by shot by shot[Repeat: x 2]  
He gets on that great highway  
Doesn't want to be anywhere  
He's an easy mark She lays down in the grass on Strawberry Hill  
He is there smelling like nicotine and peanut butter  
You gotta love her Yeah she : she doesn't want to change this time  
There's a hunger in her soul for tater-tot casserole  
With the crispy on the outside[Repeat: x 2]  
She gets on that great highway  
Doesn't want to be anywhere  
She's an easy mark I hate this world, this stupid world, this screwed up world  
I hate this world, this fucking world
