

# Happy Ever After

Gin Wigmore

Shake my bones  
And rattle my grave  
He's gone diggin' in the bitch again  
Back tattoo of a big black snake  
Don't go telling me she's just a friend  
Hey lil mama who ya gonna poison now?  
Hey lil papa who ya gonna run to now  
It's been a long time coming  
And this house is burning down  
Don't know how I ever loved you  
I was blind and running  
Into what's in front of me  
If I only knew  
That happy ever after wasn't you  
Hurt me  
Hate me  
Throw me down  
15 years I give you me  
To lie alone in this red neck town

A better lover did I have to be  
Hey lil mama what you gonna break up now?  
And hey lil papa who ya gonna run to now?  
It's been a long time coming  
And this house is burning down  
Don't know how I ever loved you  
I was blind and running  
Into what's in front of me  
If I never knew  
That happy ever after wasn't you  
It's been a long time coming  
And this house is burning down  
Don't know how I ever loved you  
I was blind and running  
Into what's in front of me  
If I only knew  
That happy ever after wasn't you  
Happy ever after wasn't you (x3)  
Happy ever after wasn't you

Happy ever after wasn't you
