I Will Survive

Diana Ross

At first I was afraid, I was petrified
Kept thinkin' I could never live without you by my side
Then I spent so many nights thinking how you did me wrong
And I grew strong and I learned how to get alongAnd so you're back from outer space
I just walked in to find you here with that sad look upon your face
Should have changed that stupid lock
I should have made you leave your key
If I had known for just one second you'd be back to bother meGo on now, go walk out the door
Just turn around now 'coz you're not welcome anymore
Weren't you the one who tried to break me with goodbye?
Did you think I'd crumble, did you think I'd lay down and die?Oh no not I, I will survive
For as long as I know how to love I know I'll stay alive
I've got all my life to live and I've got all my love to give
I'll survive, I will survive, hey hey(I, I will survive)
Hey hey
(I, I will survive)
Every day
(I, I will survive)
Oh yeahIt took all the strength I had not to fall apart
Just trying hard to mend the pieces of my broken heart
And I spent oh so many nights just feeling sorry for myself
I used to cry but now I hold my head up highAnd you see me, somebody new
I'm not that chained up little person still in love with you
And so you felt like dropping in and just expect me to be free
But now I'm savin' all my lovin' for someone who's lovin' meGo on now, go walk out the door
Just turn around now, you're not welcome anymore
Weren't you the one who tried to break me with goodbye?
Did you think I'd crumble, did you think I'd lay down and die?Oh no not I, I will survive
For as long as I know how to love I know I'll stay alive
I've got all my life to live and I've got all my love to give
I'll survive, I will survive, hey heyGo on now, go walk out the door
Just turn around now, 'coz you're not welcome anymore
Weren't you the one who tried to break me with goodbye?
Did you think I'd crumble, did you think I'd lay down and die?Oh no not I, I will survive
For as long as I know how to love I know I'll stay alive
I've got all my life to live and I've got all my love to give
I'll survive, I will surviveI will survive
(I, I will survive)
Hey

(I, I will survive)
Every day
(I, I will survive)
Yeah yeah(I, I, I)
Oh yeah
(I, I will survive)
Ooh
(I, I will survive)
I will survive
(I, I will survive)
