

Cactus

[Sam Evian](#)

Here I am again,
Lost myself again,
Staring through the rain,
To your windowpane Never needed light,
soaking through the night, With the coming day, And I'm soaking up the water.
Like a cactus.
I'm covered
Like a cactus In the summer sun,
I'm the only one,
who can stand the pain.
Waiting through the day,
Cause I'm soaking up the water,
like a cactus.
I'm covered,
like a cactus.
