

# Only Hope

## Hazakim

There's a song that inside of my soul  
It's the one that I've tried to write over and over again  
I'm awake in the infinite cold, but you sing to me over  
    And over and over again  
    So I lay my head back down  
And I lift my hands and pray to be only yours  
    I pray to be only yours  
    I know now you're my only hope  
    Sing to me the song of the stars  
Of your galaxy dancing and laughing and laughing again  
    When it feels like my dreams are  
So far, sing to me of the plans that you have for me over again

    So I lay my head back down  
And I lift my hands and pray to be only yours  
    I pray to be only yours  
    I know now you're my only hope  
I give you my destiny, I'm giving you all of me  
    I want your symphony  
Singing in all that I am at the top of my lungs  
    I'm giving it back  
    So I lay my head back down  
And I lift my hands and pray to be only yours  
    I pray to be only yours  
    I know now you're my only hope
