

Time For a Change (Abraxas Remix)

Elephanz

Calm down, twenty five was it a waste of time
All we did twice underlined
Same tracks on the ground,
We're spinning round and round,
Oh please someone gets a car We made our way across the land
We made our way across the town
(We're all about to explode) So oh oh oh oh time for a change.
Oh oh oh oh can you feel it?
So oh oh oh oh time for a change.
Oh oh oh oh can you feel it? Sometimes, comin' home at dawn you realize,
All your city's undersized
Woman, friends of mine i've got to leave afar,
But I'll never let you down We made our way across the land
We made our way across the town
(We're all about to explode) So oh oh oh oh time for a change.
Oh oh oh oh can you feel it?
So oh oh oh oh time for a change.
Oh oh oh oh can you feel it? Oh oh oh oh oh I'm ready to run
What is your plan now what's on your mind?
Oh oh oh oh oh I'm ready to run
What is your plan now what's on your mind? We made our way across the land
We made our way across the town
(We're all about to explode) So oh oh oh oh time for a change.
Oh oh oh oh can you feel it?
