

# Wet Sand

## Red Hot Chili Peppers

My shadow side, so amplified  
Keeps coming back dissatisfied  
Elementary son but it's soMy love affair with everywhere  
Was innocent, why do you care?  
Someone start the car time to goYou're the best I knowMy sunny side has up and died  
I'm betting that when we collide  
The universe will shift into a lowThe travesties that we have seen  
Are treating me like Benzedrine  
Automatic laughter from a proMy, what a good day for a walk outside  
I'd like to get to know you a little better, baby  
God knows that I really triedMy, what a good day for a take out bride  
I'd like to say we did it for the better ofI saw you there, so unaware  
Those hummingbirds all in your hair  
Elementary son but it's soThe disrepair of Norma Jean  
Could not compare to your routine  
Balarama beauty going toe to toeMy, what a good day for a let it slide  
I'd like to say we did it for the better ofI thought about it and I brought it out  
I'm motivated by the lack of doubt  
I'm consecrated but I'm not devout  
The mother, the father, the daughter, yeahRight on the verge, just one more dose  
I'm traveling from coast to coast  
My theory isn't perfect, but it's closeI'm almost there, why should I care?  
My heart is hurting when I share  
Someone open it up and let it showMy, what a good day for a walk outside  
I'd like to think we did it for the better ofI thought about it and I brought it out  
I'm motivated by the lack of doubt  
I'm consecrated but I'm not devout  
The mother, the father, the daughter, ohYou don't form in the wet sand  
You don't form at all, oh  
You don't form in the wet sand  
I do, yeahYou don't form in the wet sand  
You don't form at all, oh  
You don't form in the wet sand  
I do, yeah
