

# Rain on a Tin Roof

[Julie Roberts](#)

His eyes are blue just like the ocean  
His heart is a river free  
And now and then he gets the notion  
And he finds his way to me His loves like rain on a tin roof  
The sweet song of a summertime storm  
And oh, the way that it moves you  
Its a melody of passion ragin on and then its gone He tells me hell be back to see me  
Every time he has to go  
And I keep wonderin just when thatll be  
Cause with him you never know His loves like rain on a tin roof  
The sweet song of a summertime storm  
And oh, the way that it moves you  
Its a melody of passion ragin on and then its gone And just like a thirsty field, I cant complain a bit  
Cause Im thankful for every single drop I get His loves like rain on a tin roof  
The sweet song of a summertime storm  
And oh, the way that it moves you  
Its a melody of passion ragin on and then its gone  
And then its gone, then its gone
