

# Search And Destroy

## Black Light Burns

Black Light Burns  
Cover Your Heart And The Anvil Pants Ody  
Search And Destroy  
I'm a street walking cheetah with a heart full of napalm  
I'm a runaway son of the nuclear A-bomb  
I am a world's forgotten boy  
The one who searches and destroys  
Honey gotta help me please  
Somebody gotta save my soul  
Baby detonate for me  
Look out honey, 'cause I'm using technology

Ain't got time to make no apology  
Love in the middle of a fire fight  
Honey gotta strike me blind  
Somebody gotta save my soul  
Baby penerate my mind  
And I'm the world's forgotten boy  
The one who's searchin', searchin' to destroy  
And honey I'm the world's forgotten boyt  
The one who's searchin', searchin' to destroy  
Forgotten boy, forgotten boy  
Forgotten boy said hey forgotten boy
