I Won't Lie Down

Face to Face

Does anybody see him?
Another set up for the fall
Does anybody hear him?
He's screaming at the same blank wallAnd everyone can't be right
But everyone will decideI'm not afraid of the price I pay
I won't lie down as you walk away
I'm not afraid of the price I pay
I won't lie down as you walk awayI'm sure you must have seen him
I know you must have heard it all
I know you used to be him
Did anybody care at all?And everyone can't be right
But everyone will decideI'm not afraid of the price I pay
I won't lie down as you walk away
I'm not afraid of the price I pay
I won't lie down as you walk awayAnd everyone can't be right
But everyone will decideI'm not afraid of the price I pay
I won't lie down as you walk away
I'm not afraid of the price I pay
I won't lie down as you walk awayI'm not afraid of the price I pay
I won't lie down as you walk away
I'm not afraid of the price I pay
I won't lie down as you walk away
