

# The Garden's Tale

## Volbeat

Time keeps painting my darling  
Ripped all the flowers in the garden  
Oh baby come home, you angels bring her home  
Imens sti $\ddot{\text{e}}$ r solen over h $\ddot{\text{e}}$ jen  
Han mindes den sommer hvor hun str $\ddot{\text{e}}$ lde  
Forsvandt I haven gr $\ddot{\text{e}}$ n, og tr $\ddot{\text{e}}$ ernes sang hun fandt  
Time keeps painting my darling  
And the garden keeps on singing the old song  
Oh baby still I am waiting in the light  
Hoping the angels would carry you home  
Den sang tog m $\ddot{\text{e}}$ rket I sin poste  
Den bar hans kvinde I dens kolde favn  
Og lagde hende for hans d $\ddot{\text{e}}$ r I silkekjole  
Hoping the angels would carry her home

Leaving it all with my only friend  
Her beauty was lifeless on the stair  
Oh baby I'll carry you away into the garden's tale  
But everything (had) died and turned to stones  
I laid her down under the old oak  
Seeing it all blossom forever more  
Time keeps on painting my darling  
And the garden keeps on singing the old song  
Oh baby now I know you're in the light  
Painting it all with your colorful songs  
Imens sti $\ddot{\text{e}}$ r solen over h $\ddot{\text{e}}$ jen  
Hans skygge kastes ud I haven gr $\ddot{\text{e}}$ n  
Forsvandt for evigt og uden en note  
Hoping the angels will carry her home  
Time keeps painting my darling  
Ripped all the flowers in the garden  
Oh baby you're home, you angels where are you.
