Caught By The River

Doves

Son
What have you done?
You're caught by the river
You're coming undoneLife
You know it can't be so easy
But you can't just leave it
Cause you're not in control no moreAnd you give it all away
Would you give it all away now?
Don't let it come apart
Don't want to see you come apartSon
What are you doing?
You learned a hard lesson
When you stood by the waterYou and I
Were so full of love and hope
Would you give it all up now?
Would you give in just to spite them all?Cause you give it all away
And you give it all away now
Don't let it come apart
Don't want to see you come apartCause you give it all away
And you give it all away now
Don't let it come apart
Don't want to see you come apartLay
I lay in the long grass
So many people
So many people passStay
Stay here and lie on back
Get down in the cornfields
Stay till we're caught at lastGive it all away
Give it all away now
Don't let it come apart
Don't want to see you come apartAnd you give it all away
Would you give it all away now?
Don't let it come apart
Don't want to see you come apartWould you give it all away?
Would you give it all away?
Would you give it all away?Give it all away
Give it all away
Give it all away

Give it all away
