Look What God Gave Her

Thomas Rhett

Don't even want the attention But yeah, that's all that she's getting Her song is on and she's spinning around, yeahShe got me drunk like Corona Heart racing like it's Daytona Ooh, I'm in Heaven, I swear, right nowAnd those eyes can hypnotize Was designed to blow my mindLook what God gave her How perfect He made her She walks in the room It's like He answered my prayers The way that she moves How could anybody blame her? I know she's got haters but it ain't her fault, nah Look what God gave her It's like I heard angels singing Like she came down from the ceiling When she walked in here this evening, I thought, yeah That girl one in seven billion Got everyone in here feeling Like there's a fire in this building, so hotGot a smile on her angel face I know I'll never lose my faithLook what God gave her How perfect He made her She walks in the room It's like He answered my prayers The way that she moves How could anybody blame her? I know she's got haters but it ain't her fault, nah Look what God gave her Got that look in her eyes Swear she fell right out the sky Yeah, I think I've seen the light Every kiss, I could die It's like the heavens opened wide Man, I swear I've seen the lightLook what God gave her How perfect He made her She walks in the room It's like He answered my prayers The way that she moves

How could anybody blame her? I know she's got haters But it ain't her fault, nah Look what God gave herOoh, ooh Ooh, look what God gave her (Look what God gave her) Ooh, ooh Oh yeah, look what God gave her Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
