Bwamba's Rambles

The Zydepunks

Oh Lord think of me, think of me your forgotten son
Oh Lord set me free, set me free from what I've done

O Lord, pense Ã moi, pense Ã moi ton ti enfant
O Lord, pense Ã moi, je te prie pour sauver mon Ã¢me

O Lord, please don't go, though I'm sure you underand
My Lord, please don't go, though I was once an evil man

O Lord, va pas d'ici, bien que j'sais que tu comprend,
O Lord, va pas d'ici, il veut pas etre seul ton ti enfant

My Lord I can't recall, can't the recall the day I changed
Oh Lord I can't recall, was it the pity on her face?

O Lord, je n'sais pas, et je m'souviens pas d'jour
O Lord, j'me rappelle pas, c'Ã©tait la pitiÃ© de son visage?

O Lord, I've nothing left, and I will surely die alone
O Lord, I've nothing left, I'm just waitin' to get home

O Lord, j'ai plus rien, et sÃ»rement seul, je mourrais
O Lord, j'ai plus rien, j'espere retourner Ã toi

Oh Lord think of me, think of me your forgotten son
Oh Lord set me free, set me free from what I've done

O Lord, pense Ã moi, pense Ã moi ton ti enfant
O Lord, pense Ã moi, je t'envie pour sauver mon Ã¢me
