The Darkest Nights

[unknown]

For so long I have felt alone
Content to live with unrest
Longing faded into countless nights
That buried my weary heartBut you brought an end
To this dead hour
And meaning to a calloused life
Held in your armsBut too far from my heart
These thoughts will carry me through
The darkest nights
While your eyes rest in mineI remember the way you looked at me
And the way you drew me close
With one deep sigh, scattering pieces of my restless mind
Forgetting all that we have left behind
