

# Daisy Duke

## Hollysiz

Nothing to hide, you're by my side.  
I'll be your Bonnie and you'll be my Clyde.  
Who's gonna be on the next ride?  
We are just looking for a place in the sun.  
Who's gonna be on the next ride?  
I get the body, you get the gun. You saw me at the bar and say:  
"Do you wanna see the gangster way?"  
I was look as a little cook  
Now my parents can only pray.  
I jump on you car as Daisy Duke  
And no matter what people say  
My life is a rodeo  
I found the horse to get away.  
Who's gonna be on the next ride?  
I'll be your Bonnie and you'll be my Clyde.  
Who's gonna be on the next ride?  
We are just looking for a place in the sun.  
Who's gonna be on the next ride?  
I get the body, you get the gun.  
Who's gonna be on the next ride? They want to catch us one day  
We're gonna be miles away.  
They don't even know our names  
No future for crazier race  
Our crazy chase so I stop the clock.  
I stop the clock.  
Who's gonna be on the next ride?  
I'll be your Bonnie and you'll be my Clyde.  
Who's gonna be on the next ride?  
We are just looking for a place in the sun.  
Who's gonna be on the next ride?  
I get the body, you get the gun.  
Who's gonna be on the next ride? I follow you wherever you go  
Never look back and feel the flow  
I follow you wherever you go  
Never look back and feel the flow Who's gonna be on the next ride?  
I'll be your Bonnie and you'll be my Clyde.  
Who's gonna be on the next ride?  
We are just looking for a place in the sun.  
Who's gonna be on the next ride?

I get the body, you get the gun.  
Who's gonna be on the next ride? Who's gonna be on the next ride?  
I'll be your Bonnie and you'll be my Clyde.  
Who's gonna be on the next ride?  
We are just looking for a place in the sun.  
Who's gonna be on the next ride?  
I get the body, you get the gun.  
Who's gonna be on the next ride?
