Where Did Our Love Go?

Soft Cell

Baby, baby
Where did our love go?
Oh, don't you leave me
Don't you leave me no moreI've got this burning, yearning, yearning
Feeling inside me
Oh, deep inside me
And it hurts so badYou came into my life
So tenderly
With a burning love
That stings like a beeAnd now that I've surrendered
So helplessly
You know I believe
You want to leave meOh, baby baby
Where did our love go?
Oh, don't you leave me
Don't you leave me no moreOh, baby baby
Where did our love go?
Oh, don't you leave me
Don't you leave me no moreYou came into my life
So tenderly
With a burning love
That stings like a beeAnd now that I've surrendered
So helplessly
You know I believe
That you want to leave meOh, baby baby
Where did our love go?
Oh, baby baby
Don't you leave me no moreI've got this burning, burning yearning
Feeling inside me
Deep inside me
And it hurts so badBaby, baby, baby
Where did our love go?
Don't you leave me
Don't you leave me no moreAnd now that I've surrendered
So helplessly
You know, I believe
You want to leave meOh baby, baby
Where did our love go?
Where did our love go?

Where, where, where, where?
