[Sean Hayes](#)

No one knows
No one knows where the water came from
No one knows
No one knows where the water came from
Three thousand strong
Refugees, we fight the fire
Three thousand strong
Side by side, they fight the fire
City's burning burning
Mayor why your soldiers murdering?
City's burning burning
Mayor why your soldiers murdering?
Hmmm...They paint it gold
They paint it gold to remember
They paint it gold
They paint it gold to remember
Build your house on water
And the dragon wakes, it all fall down
Build your house on water
And the dragon wakes, it all fall down
Hear the mission bells ringing
You can hear the wind singing
Hear the mission bells ringing
You can hear the past singing
