

Young Love ("Paul Simon")

Kris Allen

I won't be the one that makes you question all your faith
And I won't be the one that turns a crooked smile straight
I will stand beside you, 'til my days are done
It's funny how I knew what love was so young And it goes like
And it goes like And I won't be the one that takes the wind out of your sail
And I won't be the one that tells you life is not a fairytale
So tell me all your dreams and I'll make them come true, yeah
It's funny living life the way that lovers do, oh yeah And it goes like Every little thing that you do makes me say,
yeah yeah yeah
Every little thing that you do makes me say, yeah yeah yeah
Every little thing that you do makes me say, yeah yeah yeah
Every little thing that you do makes me say, yeah yeah yeah
Every little thing that you do makes me say, yeah yeah yeah
Every little thing that you do makes me say, yeah yeah yeah
Every little thing that you do makes me say, yeah yeah yeah Hm sing yeah (Yeah)
Sing yeah (Yeah)
Come on and sing yeah (Yeah)
Sing yeah (Yeah)
You make me wanna sing yeah (Yeah)
You make me wanna sing yeah (Yeah)
You make me wanna sing yeah (Yeah)
You make me wanna sing yeah yeah yeah
