Dressed to Kill

New Found Glory

I know it's hard for you To understand what I'm goin' through But now I sit here to remind myself You're always dressed to kill And you feel like you owe it to the world But you owe it to yourselfAnd you're, you're not here And I can't stop pretending That you're forever mine And II can't dream anymore since you left I miss you singing me to sleep I can't wake anymore in your arms I miss you singing me to sleepCheer up my friends all say You're better alone anyway But you're always on tour And you're never home I'm always dressed to kill And I feel like I owe it to the world But I owe it to myselfAnd you're, you're not here And I can't stop pretending That you're forever mine And II can't dream anymore since you left I miss you singing me to sleep I can't wake anymore in your arms I miss you singing me to sleepCheer up my friends all say And I can't stop pretending That you're forever mine You're better alone anyway And you're not here, not hereI can't dream anymore since you left I miss you singing me to sleep I can't wake anymore in your arms I miss you singing me to sleep Cheer up my friends all say
