She's (Album Version)

Ryan Cabrera

She looks into my eyes
And I'm alive again
And when she says goodbye,
I just die again
That's my restlessness begins
Please don't let it win
I'm so tired again
But underneath the haze
One thing still remains the same[Chorus]
She's the only love I've known
And now she's gone away
She's the light
That brought me to the edge
Will I ever love again?She walked into my life
And my world was still
She reached into my soul
And all my doubts were killed
That's when my loneliness subsided
She gave me the will,
I could fight it
But nothing can erase
The one thing that remains the same[Chorus]So just tell me what I should do
I left everything for you
And I can't hardly breathe
'Cause I know I lost your from my world[Chorus: x2]
