## Ray Wylie Hubbard

Hey mama, said the way you move  
Gonna make you sweat, gonna make you groove  
Oh child, the way you shake that thing  
Gonna make you burn, gonna make you stingHey, baby, when you walk that way  
Watch your honey drip, can't keep awayI gotta roll, can't stand still  
Got a flame in heart, can't get my fill  
Eyes that shine burning red  
Dreams of you all through my headHey baby, oh baby, pretty baby  
Tell me what you're doin', what you do to me  
Oh baby, pretty baby, oh baby  
Tell me won't you do me now, what you do to me, baby Didn't take too long before I found out  
What people mean by down and out, down and out  
Spent my money, took my car  
Started telling her friends she's gonna be a star  
I don't know but I've been told  
A big-legged woman ain't got no soulAll I ask for when I pray  
Steady rollin' woman gonna come my way  
Need a woman gonna hold my hand  
Tell me no lies, make me a happy manOh baby, baby, baby, baby  
Oh baby, oh baby  
What you're doin' do to me  
Watch your honey drip, can't keep away  
I gotta roll, can't stand still  
Got a flame in heart, can't get my fill  
Oh baby, oh baby  
Tell me what you're doin' now
