

Ain't Life Grand

Widespread Panic

Watching people roll by
Wonder where they're going
Hey, what's your job?
What're you knowing? Driving to the grocery store
Pull my money out
Passing by the liquor store
Throw my money down Ain't life grand
Ain't life grand My wife's got the blues
Now I've got them
Gonna bring her a kiss
Make those blues run Ain't life grand
Ain't life grand The sun came out the other day
Through those dusty clouds
And in my mind I was a child
And it felt good! Ain't life grand
Ain't life grand
Ain't life grand
Ain't life grand
