

# Mother

[Roger Waters](#)

Mother do you think they'll drop the bomb  
Mother do you think they'll like this song  
Mother do you think they'll try to break my balls  
Mother should I build the wallMother should I run for President  
Mother should I trust the government  
Momma will they put me in the firing line  
Is it just a waste of timeHush now baby, baby don't you cry  
Mommas gonna make all of your nightmares come true  
Mommas gonna put all of her fears into you  
Mommas gonna keep you right here under her  
She won't let you fly but she might let you sing  
Mommas gonna keep baby cozy and warm  
Of course Mommas gonna help build the wallMother do you think she's good enough for me  
Mother do you think she's dangerous to me  
Momma will she tear your little boy apart  
Mother will she break my heartHush now baby, baby don't you cry  
Mommas gonna check out all your girlfriends for you  
Momma won't let anyone dirty get through  
Mommas gonna wait up till you get  
Momma will always find out where you've been  
Mommas gonna keep baby healthy and clean  
You'll always be baby to meMother did it need to be so high
