Get Right With Me

Depeche Mode

I will have faith in man
That is hard to understand
Show some humility
You have the ability
Get right with me
Friends, if you've lost your way
You will find it again some day
Down from your pedestals
Open your mouths that's all
Get right with me
Life is such a short thing
That I cannot comprehend
But if this life were a bought thing
There are ways I know we'd mend
People, take my advice
Already told you once, once or twice
Don't waste your energy
Making apologies
Right with me
