

# Leather and Lace

## Amiina

Is love so fragile  
And the heart so hollow?  
Shatter with words  
Impossible to follow  
Saying I'm fragile  
I try not to be  
I search only  
For something I can't see  
I have my own life  
And I am stronger  
Than you know  
But I carry this feeling  
When you walked into my house  
That you won't be walking out the door  
Still I carry this feeling  
When you walked into my house  
That you won't be walking out the door  
Lovers forever, face to face  
My city or mountains  
Stay with me, stay  
I need you to love me  
I need you today  
Give to me your leather  
Take from me my lace  
You in the moonlight  
With your sleepy eyes  
Could you ever love a man like me?  
And you were right  
When I walked into your house  
I knew I'd never want to leave  
Sometimes I'm a strong man  
Sometimes cold and scared  
And sometimes I cry  
But that time I saw you  
Knew with you to light my nights  
Somehow I'd get by  
Lovers forever, face to face  
My city or mountains  
Stay with me, stay  
I need you to love me  
I need you today  
Give to me your leather  
Take from me my lace  
Lovers forever, face to face  
My city or mountains  
Stay with me, stay  
I need you to love me  
I need you today  
Give to me your leather  
Take from me my lace  
Take from me my lace  
Take from me my lace
