Tell Us the Truth

Sham 69

Advisory - the following lyrics contain explicit language:

Through the corners of our eyes
We can see them pass us by
Looking at us but not talking to us
Now we see them talking about us
Whispering lies all around us
Not wanting us to know the truthTell us the truth
Don't let us down
You're a fool if you doIf only we could get together
Then I know we'd live forever
Live forever Live foreverTell us the truth
Don't let us down
You're a fool if you doIf only we could get together
Then I know we'd live forever
Live forever Live forever
Tell us the truth
Don't let us down
You're a fool if you do
