## Korn

Hey you, hey you  
Devil's little sister  
Listening to your  
Twisted transistor Hold it between your legs  
Turn it up, turn it up The wind is coming through  
Can't get enough  
A lonely life Where no one understands you  
But don't give up  
Because the music do  
Music do, music do  
Music do, music do  
Music do, music do  
Because the music do  
And then it's reaching Inside you  
Forever preaching Fuck you too!  
Your scream's a whisper  
Hang on you Twisted transistor  
Hey you, hey you  
Finally you get it  
The world ain't fair Eat you if you let it  
And as your tears fall on  
Your breasts, your dress  
Vibrations coming through  
You're in a mess  
A lonely life  
Where no one understands you  
But don't give up  
Because the music do  
Music do, music do Music do, music do  
Music do, music do  
Because the music do  
And then it's reaching  
Inside you  
Forever preaching  
Fuck you too!  
Your scream's a whisper  
Hang on you  
Twisted transistor  
Music do, music do

Music do, music do  
Music do, music do  
Music do, music do  
Hey you, hey you  
This won't hurt a bit  
This won't hurt a bit, this won't hurt  
Says who, says who  
Anesthetize this bitch  
Anesthetize this bitch, anesthetize  
Just let me be  
Between you and me, don't fit  
Music do  
And then it's reaching  
Inside you  
Forever preaching  
Fuck you too!  
Your scream's a whisper  
Hang on you  
Twisted transistor
