

# Livin' It Up (feat. Nicki Minaj)

## Ciara

I don't believe in much but I believe in you  
I don't believe I care, 'cause I don't follow rules  
I see a star so bright, no one could been that blind  
No one can crush you out but you And I, I, I  
Living on the world turning  
And I, I, I  
Ima be giving mine  
And I, I, I  
I'll be wrong if I don't try  
I don't know when my next move is coming  
All I know is I'll be running I, I, I, I'll be living up,  
I'll be living up  
I, I, I, I'll be throwing it up,  
I'll be throwing it up  
I, I, I, I'll be playin it cool,  
'Cause a girl's gonna do  
What a girl's gonna do  
Makin' up my own rules  
Ola Ola eh  
Ola Ola eh  
Ola Ola eh  
Ola Ola eh I had my doubts in love but I know it's true  
I don't have many friends, but I got you  
You are a walking Don, you are a secret gone  
Something no one can take from you And I, I, I  
Living on the world turning  
And I, I, I  
I'm gon' be giving mine  
And I, I, I  
I'll be wrong if I don't try  
I don't know when my next move is coming  
All I know is I'll be running I, I, I, I'll be living up,  
I'll be living up  
I, I, I, I'll be throwing it up,  
I'll be throwing it up  
I, I, I, I'll be playin it cool,  
Cause a girl's gonna do  
What a girl's gonna do  
Makin up my own rules I told Cici I was getting her

I told the bitches can't see her no retina  
I told her if you go in there's no letting up  
See they could kick you while you're down but you're getting up  
See ain't a man that could block what God bless  
So if a chick wanna try she a hot mess  
'Cause this one is for the girls making progress  
See I'm a monster, no I'm not a Lochness  
Put my, put my, put my work ethic damn in that lock next  
That's why this little Trini girl get the top checks  
Went from watching niggas cook up in the pyrex  
But now I rock jets, meetings with the top reps Ima live life to the fullest  
I'll be speeding like a bullet  
I'll be rolling like a train  
I'll be dancing in the rain I, I, I, I'll be living up,  
I'll be living up  
I, I, I, I'll be throwing it up,  
I'll be throwing it up  
I, I, I, I'll be playin it cool,  
Cause a girl's gonna do  
What a girl's gonna do  
Makin' up my own rules  
Ola Ola eh  
Ola Ola eh  
Ola Ola eh  
Ola Ola eh  
Ola Ola eh  
Ola Ola eh  
Ola Ola eh  
Ola Ola eh  
Ola Ola eh
