

# ARTPOP

## Lady Gaga

Free my mind, ARTPOP  
You make my heart stopCome to me, in all your glamour, and cruelty  
Just do the thing that you do  
And I'll undress youGive it tight, sometimes the simple is move's right  
The melody that you choose  
Can rescue you?A hybrid can withstand these things  
My heart can beat with bricks and strings  
My artpop could mean anything[Chorus]  
We could, we could, belong together (artpop)  
We could, we could, belong together (artpop)  
We could, we could, belong together (artpop)  
ARTPOP, ARTPOPCome to me, without your sub-techs and fantasy  
Just do the thing that you do  
For my love is youLove is fly, I've flown my beaches with lover's side  
Look at the bad that you choose  
Can profit youA hybrid can withstand these things  
My heart can beat with bricks and strings  
My artpop could mean anythingCould try to sell you out or I  
Could show you all the reasons why  
my artpop could mean anything[Chorus]  
We could, we could, belong together (artpop)  
We could, we could, belong together (artpop)  
We could, we could, belong together (artpop)  
ARTPOP, ARTPOP[Chorus]  
We could, we could, belong together (artpop)  
We could, we could, belong together (artpop)  
We could, we could, belong together (artpop)  
ARTPOP, ARTPOPBrush is your darkness won't help you create  
your destiny of super Artpop could mean anything  
Anything  
I tried to sell myself, but I am really loud  
Because I just love the music not the bling  
Music not the bling[Chorus]  
We could, we could, belong together (artpop)  
We could, we could, belong together (artpop)  
We could, we could, belong together (artpop)  
ARTPOP, ARTPOP  
[Chorus]  
We could, we could, belong together (artpop)

We could, we could, belong together (artpop)  
We could, we could, belong together (artpop)  
ARTPOP, ARTPOPFree my mind, ARTPOP  
You make my heart stop
