Jump

Xtc

Scared of love, love and swimming pools
Falling in, you said, was for fools
But when you're standing on the edge
You won't hear me because your blood is singing
Jump, jump, go ahead and jump, jump
If it's what your heart is wanting to do
This is real life you're dreaming through
And there is no glue to hold you down
So, go ahead and go ahead and jump
Scared of love, love and aeroplanes
Falling out, I said, takes no brains
But if your flight is going rough
Your soul will lead you to the nearest exit
Jump, jump, go ahead and jump, jump
If it's what your heart is wanting to do
This is real life you're dreaming through
And there is no glue to hold you down
So, go ahead and go ahead and jump
While you're waiting
Time is spinning

At your [Incomprehensible]
While you're waiting
Worlds are spinning
Find another heart and drive into collision
Knowing this, can you tell me you're
Scared of love, love and swimming pools?
Stubbornness, I say is for mules
But if you're standing on the edge
You won't hear me because your blood is singing
Jump, jump, go ahead and jump, jump
If it's what your heart is wanting to do
This is real life you're dreaming through
And there'll be no wake up
Jump, jump, go ahead and jump, jump
If it's what your heart is wanting to say
This is really your lucky day
And there is no glue to hold you down
So, go ahead and go ahead and jump

Jump, jump, go ahead and jump, jump
Jump, jump, go ahead and jump, jump
Jump, jump, go ahead and jump, jump
