Decadence Dance

Extreme

Tryin' so hard to keep up with the Joneses
Runnin' a rat racin' won by our noses
Always put one foot in front of the other
And dance to the beat of the dacadent drummerJust buy a brand new pair of Fred Astaire shoes
Climbin' to the top, never gonna stop
It's the same old song and one, two, three and decadenceDance, dance
Dance, dance
Dancin' to the dacadence dance, dance
Everybody decadancin'
Dancin' to the decadence
Dancin' to the decadence dance
Dance, danceIt's hard to stop once the music get's started
'Til the soles of your feet harden up like your heart did
Steppin' in line with the sign of the timer
Seduced by the tune of the decadent dancer
The decadent dancerJust buy a brand new pair of Fred Astaire shoes
Climbin' to the top, never gonna stop
It's the same old song and one, two, three and decadenceDance, dance
Dance, dance
Dancin' to the dacadence dance, dance
Everybody decadancin'
Dancin' to the decadence
Dancin' to the decadence danceDance, dance
Dance, dance
Dancin' to the dacadence dance, dance
Everybody decadancin'
Dancin' to the decadence
Dancin' to the decadence danceDance, dance
Dance, dance
DanceDance, dance
Dance, dance
Dancin' to the dacadence dance
Everybody decadancin'
Dancin' to the decadence
Dancin' to the decadence danceDance, dance
Dancin' to the dacadence dance, dance
Everybody decadancing'
Dancin' to the decadence
Dancin' to the decadence dance

Dancin' to the decadence dance
