I Don't Wanna Say Goodbye

Bosson

I don't wanna say goodbye
I don't wanna be alone
I give you one more chance to say how much you want me back
Ohh, I'll give you one more chance to say that this time it will last until
That death will do us partSo we can find peace in our hearts
Oh, I give you one more chance to say you're sorry
And that you love me, causeI don't wanna be alone
I don't wanna be apart again
I don't wanna say goodbye, again
I don't want a broken heart
I don't wanna be hurt again
I don't wanna say goodbye, againI give you one more chance to prove that you're the one for me
I give you one more chance but this time you will have to
Work hard for a man with dignity
You'll have to earn my trust you see
I give you one more chance to say you're sorry
And that you love meCHORUS x 2
Do you understand
All the pain you caused
When you cheated on me
Baby
So swear to god
And promise me
That it will never ever
Happen again
Cause I still love youCHORUS x 2
