

# Run (George Strait Cover Live)

Taylor Swift

There's a plane or a bus leaving from Dallas  
I hope you're on it  
If there's a train moving fast down the tracks  
I hope you caught it 'Cause I swear out there ain't where  
You outta be  
So catch a ride or catch a cab  
Don't you know that I miss you bad  
But don't you walk to me Baby run  
Cut a path across the blue sky  
Straight in a straight line  
You can't get here fast enough  
Find a truck and fire it up  
Lean on the gas and off the clutch  
Leave Dallas in the dust  
I need you in a rush  
So baby run  
So baby run Oh if you aint got a suitcase  
Get a box  
Or an old brown paper sack  
Pack it light or pack it heavy  
Take a truck, take a Chevy  
Baby just come back  
There's a short cut to the highway out of town  
Why don't ya take it  
Don't let that speed limit slow ya down  
Go on and break it  
Baby break it And run  
Cut a path across the blue sky  
Straight in a straight line  
You can't get here fast enough  
Find a truck and fire it up  
Lean on the gas and off the clutch  
Leave Dallas in the dust  
I need you in a rush  
So baby run Run to me  
Baby run  
Run to me  
So baby run  
Run

Oh baby run
